## **ESPERIENZE ARTISTICHE**

Ho sempre studiato per le mie due passioni frequentando due università contemporaneamente medicina e odontoiatria e arti sceniche dello spettacolo.

Credo che la passione sia il motore di tutta la mia vita.

Nasco come ballerina e con tanto sacrificio e dedizione ho sempre cercato di far coincidere le due cose altamente diverse ma entrambe molto impegnative.

**Ballerina agonistica professionista**

**Attrice**

**Accademia delle arti sceniche dello spettacolo**

**Musical, come attrice protagonista, con ospitate Rai**

**Videoclip**

**Miss italia**

**Miss Mondo**

**Sfilate**

**Presentatrice “Uragano Dance e Fitness Convention “,**

**Seconda classifica premio Strasberg**

Questo mio background nel mondo dello spettacolo, in ogni sua forma, mi ha permesso di sviluppare una forte presenza scenica, che oggi sfrutto nelle conferenze universitarie, convention, interviste radiofoniche o televisive.

Credo che questo aspetto sia molto importante per chi mette, come me, la propria professione a disposizione dei media e della divulgazione delle proprie competenze.
